EDUCATION

University of Southern California, Marshall School of Business and Viterbi School of Engineering **Los Angeles, CA**
BS in Artificial Intelligence for Business *May 2028 (expected)*
Minor in Product Management *(Major GPA: 3.94/4.00 | GPA: 3.67/4.00)*

- Awards: National Merit Scholar (top 1% nationally), USC Presidential Scholar (top 2% merit scholarship), Cornell Tech Break Through Tech AI/ML Fellow, Dean's List, President's Volunteer Service Award (Gold)

EXPERIENCE

Advantest – Global Semiconductor Test System Provider **San Jose, CA**
AI & Project Management Intern *May 2026–Aug 2026*

- Led market research and stakeholder interviews across 20 AI vendors, evaluating OEM platform fit on technical maturity and integration fit for Advantest's RAG-based knowledge system, advancing 2 vendors into active pilot discussions covering potential million dollar contracts
- Designed and deployed cloud-hosted AI agents that automates and scales recurring operational workflows such as task triage and Jira ticket routing for a 60-person team, reducing manual effort by ~2 hours/week per person

Business Intelligence & Data Systems Intern *May 2025–Aug 2025*

- Built a RAG-powered knowledge system embedded in Advantest's flagship 93K product, used by NVIDIA and Qualcomm, cutting documentation processing time by 54% and accelerating customer onboarding
- Researched 15+ AI/LLM vendors and built cost-benefit forecasting models for senior stakeholders' enterprise deployment decision

University of Southern California **Los Angeles, CA**
Technical Product Lead *May 2026–Present*

- Led a 4-person team building TrojanReg's technical and operational foundation for a planned rollout to 20,000+ students
- Architected the constraint-based scheduling algorithm and validation engine that auto-generates degree-compliant schedules, projected to reduce advisor workload by 20%
- Conducted user research across USC undergraduates on academic advising pain points, translating findings into system requirements that shaped the tool's design

Canva **Los Angeles, CA**
Undergraduate Communications Consultant *Aug 2025–Dec 2025*

- Interviewed 30+ students, uncovering onboarding barriers affecting 90% of new users; presented findings and GTM recommendations to 7 senior stakeholders
- Translated UX research into user stories that shaped prioritization decisions on Canva's higher ed product roadmap

KIPP SoCal Public Schools – Charter School Network **Los Angeles, CA**
Team Lead, Enrollment Yield Modeling Project *Apr 2026–Present*

- Recruited KIPP SoCal as a new research partner, leading a 7-person team applying predictive clustering to model network-wide enrollment yield and forecast applicant persistence
- Present enrollment strategy recommendations directly to KIPP SoCal's COO, translating model output into network-level decisions on recruitment and retention

ORGANIZATIONS

DataSC – USC Data Science Organization **Los Angeles, CA**
President *Apr 2026–Present*

- Promoted to President after driving 340% membership growth and 136% retention as VP of Operations
- Led a 100-person org running two program tracks, scaling org-wide engagement and growth

USC Vietnamese Student Association **Los Angeles, CA**
Director of Finance *Aug 2024–Apr 2026*

- Managed \$9,000+ budget and led a 17-person cross-functional team driving fundraising and vendor partnerships
- Raised \$3,500 for a 500+ attendee dating show spanning 15 colleges, VSA's flagship annual event

SKILLS

Python, SQL, R, Excel, RAG/LLM Systems, Product Management, Optimization (BIP), User Research, Agile, Go-to-Market
